MICDICAL-LEGAL NOTICES.

MEDICAL. CONSUMPTION CURED BY INHALATION,—TO those afflicted with decased lungs, the writer is too happy to state the following facts:—Some ten months age the writer caught a severe cold, which settled on his lungs. He suffered from shortness of breath, and had continual night awents. His family physician pronounced his disease consumption, and, upon examination, declared that tuberdles had formed in his lungs. The usual remedies were tried, but to re avail; his strength generally left him, his body became emaciated, his nights were sleepless—he had a short, dry cough, and expecterated a green matter, sometimes having a spee of br ght blood in it. Inhalation was recommended to him, and, for three months, under the treatment of Dr. Cameron, of England, he inhaled, through a tube, certain medicated vapors, and now he is free from all the above described ills, has a good appetite, enjoys life, practises his profession, and considers himself in perfect health. A CARD—WE, THE UNDERSIGNED MEMBERS OF the original Christy's Minstrels, having been informed that incorrect and clanderous reports have been circulated, to the dispurgement of Mr. Edwin P. Christy, in regard to the causes or provocation of Goorge N. Harrington, in whose welfare we alf feel kindly interested, for leaving this company, hereby assert that, to our personal knowledge, Mr. Edwin P. Christy has at all times, within our observation, extended to the said Goorge N. Harrington most kind and liberal treatment; and during his recent severoand dangerous illness, was to him all that mas or friend could be insuch cases. And we also know, from written documents and acknowledgments, in the hand writing of George N. Harrington, that he has received from Edwin P. Christy, for hisown use and purposes, since the first day of Feb., 1851, up to the time of his withdrawal from the company, a period of two years and eighty dollars, (519,650.) We make the above statement of facts, without solicitation on the part of Mr. Edwin P. Christy, our motive being no other than performing an act of justice on our parts towards our manager, in whose sinjely many of we have been for years past, and whose brindness and liberality is proverbial among those acquainted with him.
